

Dear UEMS-SMG National Delegate,

The UEMS-SMG Exam Group would be grateful if your national society/association for clinical genetics could make known that the online ECMGG Exam is open for registration – if not already known to your community. The Exam is open only to medical graduates. Preparations are well advanced. The MCQ exam is scheduled for June 18th 2021 and, for those who pass the MCQ, the oral exam will take place on September 17th. Please can you circulate this message or post it on your website, as appropriate:

The ECMGG 2021

The European Certificate in Medical Genetics and Genomics (ECMGG) is intended to be the main knowledge-based assessment tool for Clinical / Medical Genetics and Genomics training across Europe, establishing world-class leading standards in the specialty throughout all European countries. Registration for the online ECMGG Exam 2021 is open. The closing date for early bird registration is March 15th, with all registrations required by 1st May.

Information about the Exam and details for registration can be found on: <https://www.uems-ecmgg.org/Home.html>

Thank you

Peter

Professor Peter D Turnpenny

Consultant Clinical Geneticist & Clinical Professor, University of Exeter Medical School
